

Coco Boom

A Tropical Party Game of Risk, Bluff, and Explosive Fun!

Premise

Coco Boom is a lightning-fast party game of explosive decisions and high-stakes bluffing! Will you collect the biggest coconut jackpot, or will a hidden bomb blow up your plans? With every choice, tension builds—until BOOM! The perfect mix of mind games, reflex action, and push-your-luck excitement!

How to Play

1. Everyone secretly adds coconuts to the pile. What's inside? Who knows!
2. The active player guesses the top card's value (300, 500, or 1000 points).
3. Keep going for bigger points... or cash out before disaster strikes!
4.  BOOM! If a bomb is revealed, slap the card fast! The slowest player suffers a penalty!

Selling Points

1. Fast, Fun, and Addictive – Learn in under a minute, but every game is thrillingly different!
2. A Party Game with Strategy! – More than just luck—outthink and outbluff your friends!
3. Explosive Moments & Reflex Action! – The bomb-slapping mechanic creates laugh-out-loud chaos!
4. Compact, Affordable, and Easy to Produce – Small box, low cost, high replayability! Perfect for mass retail, travel gaming, and impulse buys.
